International Trade Fair
for Rehabilitation and Care

Düsseldorf, Germany
23–26 September 2026

START-UP AREA

Benefit from the potential and opportunities of the leading trade fair for assistive technology sector:

REHACARE is the leading trade fair for rehabilitation, prevention, integration and care. Every year, experts, specialists and visitors from all over the world meet in Düsseldorf. The latest developments and trends in the areas of mobility, aids and technologies for people with disabilities as well as barrier-free living and working are presented. REHACARE offers you a unique environment for your business development and growth. Present your products, ideas or services and exchange ideas for innovative strategies and solutions.

Use REHACARE to make contacts and generate leads. The Start-Up Area offers you cost-efficient access to the specialist audience.
